In answer to many requests for special registration under Mass. General Laws chapter 51, section 42B, at schools, colleges, nursing homes, and other principal places of activity, extra sessions were conducted to satisfy these requests.

Physically disabled: In accordance with the provisions of chapter 196 of the Acts of 1946, as amended, persons who were eligible to register and vote but unable to appear at a registration office due to physical disability were registered in private homes or health care facilities in which they resided at the time of their requests. Persons so registered or found on the voting list were furnished with an application for absentee ballots.

NUMBER OF VOTERS

At the State Election, held November 2, 1982, the number of voters on the list was 238,841. The number of voters on the first list published by the Board for 1983 was 211,334. From that time to the close of registration for the City Election there were added the names of 77,652 voters. From that time to the close of registration for the Presidential Primary there were added the names of 5,859 voters. Included in this figure are the names of 28,643 voters who were restored to the voting list without registration under the provisions of chapter 244 of the Acts of 1947, as amended, and chapter 555 of the Acts of 1973, as amended. The number of voters on the day of the City Election, held November 15, 1983, was 288,986, an increase of 50,145

above the number of voters on the list preceding the State Election. The number of voters on the day of the Presidential Primary, held on March 13, 1984, was 294,845.

NOMINATION PAPERS, REFERENDUM AND RECOUNT PETITIONS

The Board received 3,758 nomination papers for the City preliminary on which 87,902 names were certified; 952 referendum petitions on which 28,499 names were certified; four recount petitions for a recount of ballots cast in the City Election consisting of 53 papers on which 1,014 names were certified.

The Board received 188 nomination papers for the Presidential Primary on which 2,686 names were certified.

RECOUNTS

Pursuant to chapter 54, section 135A, of the General Laws, and due to the necessity of having the voting machines available for the City Election, a recount of the votes cast in the City Preliminary Election was called by the Board of Election Commissioners and held in the twenty-two wards of the city commencing on October 13, 1983, and concluding on October 17, 1983.

A recount of votes cast in the City Election for the office of District City Councillor in Districts 2, 4, and 8 was held on November 30, 1983, and concluded on December 2, 1983.

REVISION OF THE VOTING LIST

The names of 5,469 voters were stricken from the voting list by reason of death, removal from the city, and other causes.

ABSENTEE VOTING

In accordance with chapter 123 of the Acts of 1966, as amended, regulating the method of processing and counting absentee ballots made it mandatory that, after processing and examination of the affidavits in the central office is completed, the absentee ballots must be sent to the precinct polling places to be cast and counted; then the said count of absentee ballots cast had to be added to the count of votes cast by use of the voting machines, so that the precinct total could be recorded and reported at the precinct level.

Chapter 368 of the Acts of 1966, further regulating absentee voting, made it possible for a registered voter who would be absent from the city on the day of the election, and who had no mailing address outside of Boston to which a ballot could be mailed and seasonably returned in time to be sent to the polling place before the close of the polls on election day, to receive a ballot in hand and vote by such ballot in the central office before he departed from the city.

DISTRICT REPRESENTATION

In accordance with chapter 549 of the Acts of 1977, further amended by chapter 605 of the Acts of 1982, the City Council passed an ordinance establishing nine City Councillor Districts and nine School Committee Districts to take effect for the 1983 City Preliminary and City Election.

The Board was advised by the Corporation Counsel that a Federal Court Order had struck down the City Council Ordinance and ordered a new delineation of several precincts of the city into new districts and further ordered the city to set new election dates if required.

The above changes resulted in a Home Rule Petition being drafted by the City Council and passed by the Legislature, designating new dates for the City Preliminary and City Election. Also, resulting in a redrafting of the political calendar for the year 1983. (Copies of the above Acts, Orders and Ordinances are on file in this office.)
